Confirmation of qualification in the Achilles Joint Qualification System

Our qualification team wishes to congratulate **IPS GROUP B.V.**, Achilles ID: **60154**, on the renewal of your qualification in the Achilles Joint Qualification System.

As stated on the enclosed certificate the qualification is now valid till **17-Apr-2016**.

The participating oil Companies and Main Contractors may use Achilles JQS as the basis for preparation of bidder lists directly or together with **additional qualification criteria** established by the individual Company. Other qualification stages may be added by the individual Company if more information is found necessary to complete the preparation of bidder lists.

Qualification can be achieved for products and services that are comprised by a quality assurance system established and documented in accordance with an international quality standard. The system can be an internal system (not certified), or a certified system. For IPS GROUP B.V. qualification is based on a *certified* quality system.

The Achilles Joint Qualification system is used by leading oil companies and main contractors on the Norwegian and Danish continental shelves. In addition a number of smaller businesses have entered into contract for use of the system. The objective of the participating companies is to establish the majority of bidder lists by use of the qualification system. We hope you will benefit from being a qualified supplier with Achilles. If you want more information on the participating companies and the system in general, please visit our web site on www.achilles.com/en/jqs, or contact us one phone +47 37 06 35 00 or e-mail aic@achilles.com.

Yours Sincerely
